The Chairperson's Message

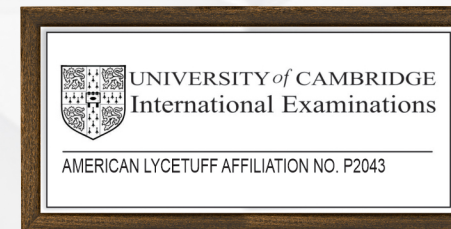

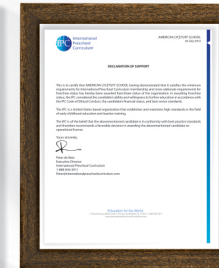

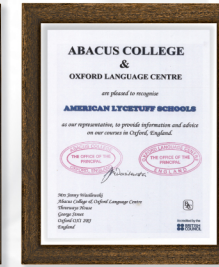

We are an organization with a difference!
We value individualism, creativity,
innovation and strive to nurture them in our
students and our team.

Our motto "Sustain to Prevail" is at the heart of
everything we achieve at **ALS**. We aim not to just
impart knowledge to the students, but also to
inculcate in them wisdom, compassion and a
humanitarian spirit.

ALS teaches children the importance of tolerance and
mutual respect, discipline, values and integrity which are
the very foundation of **ALS**. Our vision is to produce
conscientious, smart and confident citizens who will go out
into the world and make **ALS** proud.

20. ALS uniform designed to cater the age, activities, climate and comfort of the students.
21. Providing thematic, and conducive in environment which is comfortable, attractive, practical & safe for all.
22. Less homework and lighter bag load / weight.
23. Providing on-going support for a comprehensive & progressive educational system at all levels.

Mission Statement

American Lycetuff with its futuristic approach towards imparting high standards of quality education aims at a holistic sustenance of an educated modern society.

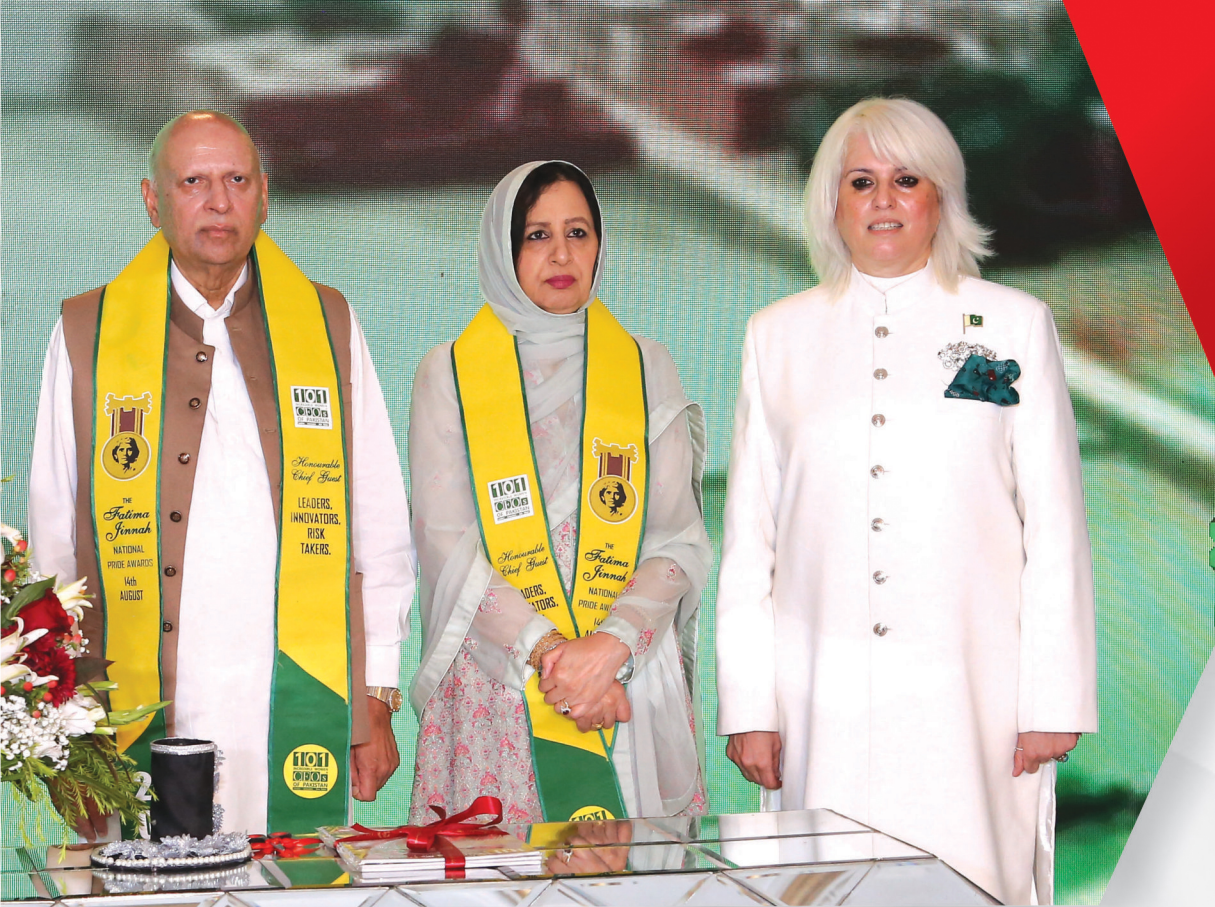

Our Philosophy

The main philosophy of American Lycetuff is to understand the educational needs of the individuals so that they stand out in their academic career and become responsible members of their society in order to serve the nation with pride and honour.

Vision

With a sense of fulfillment and pride over our past accomplishments, we at American Lycetuff continuously strive to achieve high standards of educational excellence by using modern teaching and learning techniques that help in enhancing knowledge, intelligence and skills of young minds thus preparing them to become effective citizens and future leaders of our nation.

Academic Plan

Lesson Planning: Qualified and professionally trained teachers develop schemes of studies and lesson plans which are regularly delivered in classrooms. Special attention is paid to individual differences of the learners while planning academic activities. This makes the teaching and learning process more effective.

Science Laboratories: Knowing the significance of practical experience, well equipped labs for all science subjects are available in almost all branches.

Computer Education: Integration of computer technology in education is the need of the hour. At American Lycetuff, computer education has been made an integral part of the school curriculum. Priority is given to clear fundamental concepts with theoretical knowledge and practical experience using latest techniques. Fully equipped computer Laboratories are available to the students.

Libraries: To inculcate interest in reading, well stocked libraries of selective books are maintained in every American Lycetuff School, where students and staff are encouraged to visit and explore new horizons of knowledge.

Quality Assurance

Research and Development Cell: The management of American Lycetuff is conscious of ever increasing new challenges in the field of education. To meet such challenges there is an R & D cell at work, monitoring and exploring new ideas for the holistic development of pupils. Syllabi and courses are constantly reviewed and updated.

Teacher Training: For professional development of teachers, training workshops are organized regularly to equip them with the latest and innovative teaching strategies as they are the ones to help in laying better foundation for a stronger nation.

Student Assessments: Formative assessments are done to keep a regular check on students performance. A progress report is generated to ascertain students' position in the class as well as for the information of the parents. Students' academic placement in the class and also to keep parents well-informed.

Retention Policy: The American Lycetuff follows a test based grade promotion and retention policy. The class teacher in consultation with the principal may advise student to repeat a class keeping in view his / her academic performance. The parents are encouraged to discuss their child's care with the teacher.

Admission Test

Students seeking admission in PG, KG-I and KG-II will be addressed on their English proficiency, aptitude and maturity.

Class Age:

- Grade 1 6 Years
- Grade 2 7 Years
- Grade 3 8 Years
- Grade 4 9 Years
- Grade 5 10 Years
- Grade 6 11 Years
- Grade 7 12 Years
- Grade 8 13 Years
- Grade 9 14 Years
- Grade 10 15 Years

Students entering grades I to X & 'O' level are tested for grade placement. Priority is given on first come first serve basis and admission test results. In order to best fit in our school system final admission and grade placement is determined by the Principal, regardless of previous school grade placement. Students entering PG shall be observed by their activities.

For Parents

American Lycetuff has strict disciplinary policy in order to meet high standards of student behaviour and performance. We, at American Lycetuff, believe that colore collaboration between school & parents can create an environment that promotes students well-being as well as their academic skills.

Punctuality: To be on time is the first step towards learning discipline. Strict adherence is demanded. The habitual late comers will be dealt strictly.

Students are not allowed to enter the school premises before 7:30 am in Summers and Winters.

Also, the parents are required to pick up their child from the school within 15 minutes after the home time.

Attendance: A minimum of 80% attendance is a must for annual promotion. Absence from school is discouraged, however, in case of a medical emergency a hand written application duly signed by the parent, along with a medical certificate is required to be submitted to the office. School Management is not responsible for completion of notes or for providing photocopies of notes for the absentees.

Procedures

The academic year is divided into four quarters (two terms). New session for PG, Kg1 and KGII starts in August and January every year.

Application form for admission is attached with the prospectus, please fill in the required information and submit it to the school administrator along with the following:

- Registration Fee (Non Refundable)
- Three recent Passport size photographs
- Report card of the previous school, where applicable

The parents/guardian of the student shall be informed regarding the date of admission test, the placement of students shall be made according to the result of the admission test. Student(s) are only allowed to sit in the class once all the dues (non refundable) of the school are paid.

Uniform

& Hygiene

Students must wear neat and clean uniform as prescribed by the school management. Parents must take care of the students hygiene like haircut which must be lice free, cutting of the nails etc and shoes must be polished. Every Tuesday is observed as a barber day. It is strictly desirous of the parents that student must maintain their note books in order and present their classwork as well as homework in relevant subject note books in proper handwriting and in a tidy manner. Each assessment for punctuality, attendance, proper uniform, hygiene, hair cut, hair lice, signing of diary/ report / copy by the Parents, home work preparation, spoken English and handwriting carry special marks.

Student's Behaviour: Teachers use different ways to modify student's behaviour. They are taught to follow classroom and playground rules. Corporal punishment is discouraged. In case a student is not observing the rules and regulations of the school and is showing negative behaviour towards discipline, the matter is brought to the knowledge of the Principal and Parents/guardian to resolve the matter. Extreme negative behaviour results in dismissal from the school.

Promotion to Next Class: Promotion to next class is based on annual consolidation of achieving minimum 80% attendance in each term and not missing any assessment. Re-evaluation of papers is not permitted once concluded. Sick students are not allowed to appear in the exams.

Double Promotion: Student will be evaluated and promoted on the basis of particular Class Standard Syllabus, and prior permission of the Principal.

Non refundable promotion fee is to be deposited before taking any test.

Inter Branch Transfer Facility:

Student can avail inter branch transfer facility by first obtaining permission from the present branch administration and then depositing the non refundable amount as transfer charges to the branch, where the student is being transferred to.

Withdrawal: Parents/guardian must either give one month's notice or deposit one month school fee before initiating withdrawal of their child(ren). After clearance of the withdrawal form, a school leaving certificate and security amount can be collected from the school administration.

Tuition Fee: Tuition Fee is to be paid by the 5th of every month in the designated Bank. After that, a fine per day will be charged till 15th and after that student will not be allowed to sit in the classroom. After 20th student's name will be struck off automatically. Monthly Tuition Fee is decided by the school management and is increased as per government policy annually.

Attributes

- Respect your elders.
- Be kind hearted.
- Speak politely.
- Respect your traditions, norms and values.
- Do not misbehave or use abusive language.
- Obey the rules.
- Cleanliness is Godliness. Keep yourself and your surroundings clean.
- Show respect to be respected.

How Can Parents Help?

Parents / Guardians are the child's first teachers and child's behaviour in school is often modeled on what he or she sees at home. If expectations of child's behaviour at home match with the expectations of behaviour at school, the child is bound to get off to a better start. Admiration is the most meaningful, effective and positive recognition you can give to your child. You are making a powerful statement by saying 'I care about you, I noticed the good work you are doing and I am proud of you.' Your recognition boosts the morale of your child and give him/her the courage to learn more effectively.

Preschool Co-Curricular Activities

Preschool on going co-curricular activities include a series of activities of this age group for education, fun and vivacity under the guidance of their respective class teachers.

Junior School Co-Curricular Activities

Junior school students creative arts and crafts making skills in various art forms alongside educational enhancement and learning activities.

American Lycet

Senior School Co-Curricular Activities

The senior school students are encouraged to actively participate in indoor and out door games, study tours as well as various mind blossoming educational activities to top up with their physical activities.

ALS Newsletters (Author: Ms. Zeeshan Zia)

The “ALS Tuff Times” monthly newsletter is yet another regular feature of American Lycetuff School.

Edited under the supervision of Madam Zeeshan Zia, this Quadra coloured info studded newsletter contains events of the ALS activities of students and teachers each month to generate awareness and serve as a memorabilia of the student participation in various ALS events month after month.

Aesthetically designed and printed on a fine grain glazed paper the ALS newsletter is a collection of the activity calendar, highly popular in our student’s households, side by side with carrying a unique commercial value for businesses to advertise at very nominal rates.

This remarkable success of ALS Newsletter has inspired us to add more flavour and purpose in making public the events of ALS.

ALS Publication Company

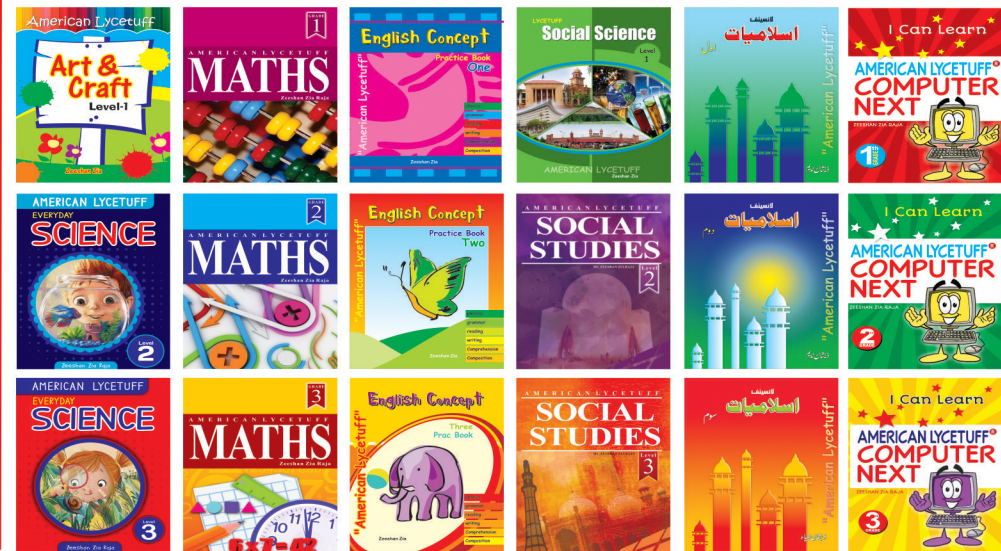

(Author: Ms. Zeeshan Zia)

The American Lycetuff school system aims at providing premium education to our students on modern parameters.

In order to fill the bill of our urge, we have surged ahead to develop our own research and development department where we study the latest educational materials on various subjects to finally generate our own cost effective and highly informative course books exclusively for the ALS system. Our designing, visual and print department in collaboration with our text planners are regularly producing top of the line course books for the ALS in almost all subjects and all mediums, since two decades.

Incredible Women OF Power

Leaders, Innovators, Risk-takers

A PROJECT LAUNCHED BY ZEESHAN ZIA RAJA FOUNDER OF AMERICAN LYCETUFF

Our world is opening up in many ways and yet the women of our country still struggle to reach their potential. I realized the wonderful achievements of many women across Pakistan, but I understood the hardships they had to undergo to succeed. This is unfortunate since women have such potential, but they feel insecure and hesitant to pursue their dreams. I then realized that stories of other women can motivate them and give them the strength to continue.

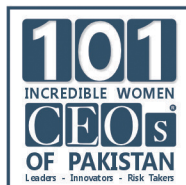

Our project, 101, has successfully played the role of motivation and recognition. It has highlighted many talented Pakistani Women in its first-ever Anthology of Women Success Stories, volume # 1. That anthology was launched first at the President House with the First Lady, of Pakistan, Begum Samina Alvi as Chief Guest and then at the Governor House, Lahore with Begum Perveen Sarwar as the Chief Guest.

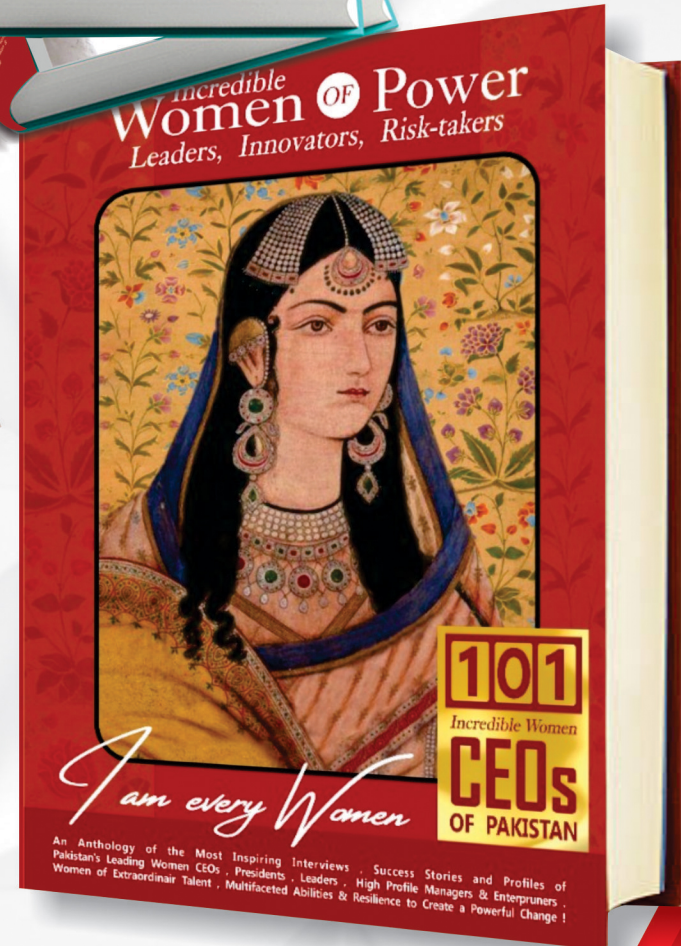

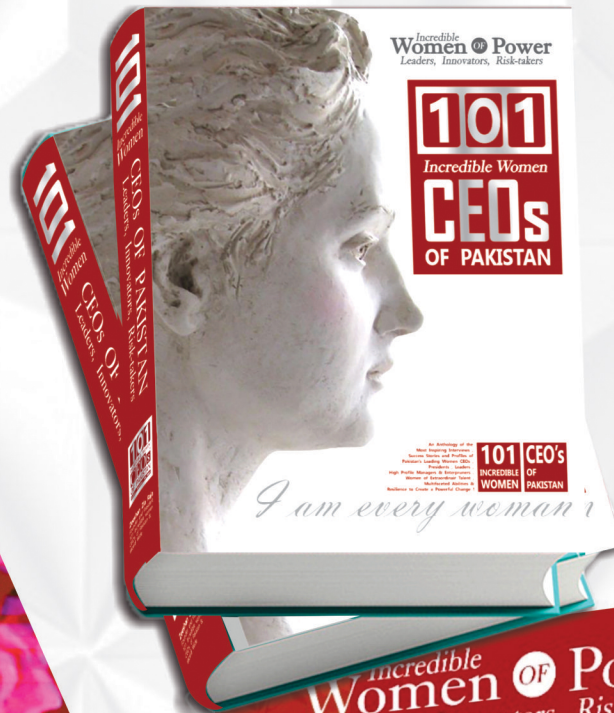

Stand by for volume # 2
